

2024 Event Sponsorship Opportunities

A note from our President & CEO:

Dear Friend,

There is a special satisfaction to making a difference in the community you love. And when you choose to sponsor an event for Families in Transition, your support provides housing, shelter, food, and essential services to those experiencing homelessness and hunger in our community.

Over 1,000 families will visit our food pantry each month, and up to 138 adults will be able to seek a bed each night at the adult shelter. Every day, there are 11 families living at the family shelter and 240 households in our affordable housing programming, with dozens of families on our wait lists to enter these programs. With your help, we can continue to keep pace with the demand for our services.

Your sponsorship supports people experiencing homelessness and will play a crucial role in helping us meet the ongoing and evolving needs of those facing homelessness and hunger in our community.

Thanks to you, and sponsors like you, every day you help Families in Transition:

- **Manage 240 units of affordable housing across 18 properties.**
- **Run the largest Adult Emergency Shelter in New Hampshire with capacity for 138 individuals.**
- **Direct the Family Emergency Shelter with capacity for 11 families.**
- **Provide case management to support and sustain long-term positive housing.**
- **Supply groceries to our community members through our Food Pantry.**

This year, we will host our 34th Annual Walk Against Hunger and 31st Annual Breakfast. Your support of these events helps to ensure the availability of our life-changing programs and services.

Together, we can make a difference in preventing and breaking the cycle of homelessness.

Sincerely,

Maria Devlin
President & CEO
